“ I was so sad to hear of Jan’s passing. She was a wonderful person and a good friend. It was good through our reunions to get to visit with her and Jerry...they made a wonderful couple. I am sure they are reunited again in the loving presence of Our Lord. My thoughts and prayers go out to her family.

“ Jan, I am so grateful that I was able to visit you and tell you I love you and goodbye. I did not realize that would be our last visit. My memories of all of our life together will be with me forever. We were each others BFF.... affectionately know as, Best Friends Forever. Sharing school days through high school, summers at the camp in Fishville, birthdays, slumber parties, movies, shopping and everything that best friends share together have always meant the world to me. You will be missed, especially your beautiful smile and infectious laugh, but I know you are happily reunited with Jerry, the love of your life, and family.
You and your family are in my thoughts and prayers.

“ Nancy, to you and your siblings, and all of the family, I am so very sorry for your loss of Jan. I will be covering you all in my prayers for comforting directly by the Holy Spirit, and indirectly by the prayers and outreach of those with whom God has intertwined your lives. May Jesus pour out His unsurpassed peace upon each of you in the midst of the sadness and grief of your loss, and may you all find some consolation in remembering our hope of being united for all of Eternity with our loved ones that go before us.
