“ I met her for the first time just a few weeks ago at a meeting of a committee on which we both served. Looking back and realizing what she was facing and the grace, strength and courage with which she faced it I am both humbled and awed by her. What a person! She will be missed.

“ My condolences for your loss. I worked with Peggy for many years on multiple claims. She was always so helpful and informative. I always enjoyed talking to her and am very sad to hear of her passing. She will be missed very much. God Bless. Shondi Gangolf

“ Oh my goodness, I don't know where to start. Peggy and I worked closely together resolving my claims since 2004. We continued to do this through the end of 2011 when I moved up to a management position. We last spoke on 05/04/17. Not only was Peggy brilliant in helping me handle and resolve the claims, but she also supported me through my trials and tribulations following Hurricane Katrina. Peggy and I shared motivational books and she provided spiritual and motivational support. We prayed and worked together. Peggy will be sorely missed. She has never left Steve out of a conversation. She was really proud of Steve and always longed to travel with him. She also always mentioned the children and family that she became really close to. I hate that we won't be able to chat and strategize any more, but Peggy watches over us all from her new heavenly home. Peggy will be missed, but will always be with us in spirit. Peggy will never be forgotten.

“ I was shocked to just learn that Peggy was prematurely taken from us. I have known her since the early 90's and have always thought of her as a wonderful person and a consummate attorney. She will be missed, and my condolences and prayers are with you.
